

Twinkle, Twinkle

CHILD : (Singing, fades) Twinkle, Twinkle, Little Star , how I wonder where you are ...

VO: You don't have to look to the skies to find Wisconsin's little stars. They're learning their ABC's ... learning how to count ... developing the knowledge and skills that will make them big stars tomorrow. As a working parent, choosing who will care for your children can be a difficult decision. Thanks to YoungStar – Wisconsin's new child care rating program – it just got easier. All regulated child care providers are now rated from 1 to 5 stars. The more stars you see, the higher their quality of care. All children deserve the best possible start in life. With YoungStar, your little stars will shine brighter every day.
